- With this ABHA you have become a part of India's digital health ecosystem. For now, let me show you the features you can expect to see.
- ABHA provides you a unique identification and helps in storing - safeguarding all your digital health records at one place.
- Now, let me see where you can see it. The first one is through the app that you can download from Google Play Store or Apple App Store.
- You can download the ABHA mobile app, Aarogya Setu or other ABDM enabled app to view and share your digital health records with ABDM registered healthcare service providers.
- And the second way is through the website. Let me show you the website too. First, let me show you the app.
- If this card is not clearly downloaded in from www.abha.abdm.gov.in, it is digitally acceptable.
